

# NEBRASKA TRADITIONAL ARCHERS BOW BUILDING SEMINAR

JULY 17TH & 18TH 2010  
9:00 AM-? BOTH DAYS  
IZAAK WALTON PARK CHRISTIANSEN FIELD RD & CO. RD 20 1/4, FREMONT NE 68025

Come to the NTA's annual Bow building seminar. This two day seminar will cover basic bow building on the first day, selecting staves, getting down to a growth ring, ect. The second day will consist of more advanced building techniques, sinew backing, bamboo backing, snakeskinning, and recurving. A limited number of camping spaces with electrical will be available, with plenty of primitive camping.
